THIS AGREEMENT, made and entered into on the 14th day of October, 2014 by and between the Borough of Bernardsville, in the County of Somerset, a municipal corporation of the State of New Jersey (hereinafter referred to as the "Borough"), and New Jersey State Policemen's Benevolent Association, Local No. 365, (hereinafter referred to as the "PBA"), represents the complete and final understanding on all bargainable issues between the Borough and the PBA.

ARTICLE I
RECOGNITION

- A. The Borough recognizes PBA Local No. 365 as the representative for the purposes of collective negotiations of all Sergeants and Lieutenants employed by the Police Department, but excluding Special Police, Dispatchers, and all other employees of the Borough of Bernardsville.
- B. The titles of Sergeant and Lieutenants shall be defined to include the plural as well as the singular, shall include males and females and are synonymous with the word employees.

ARTICLE II

MANAGEMENT RIGHTS

A. The Borough hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following rights:

1. To establish the executive management and administrative control of the Borough Government and its properties and facilities, and the activities of its employees;
2. To hire all employees and subject to the provisions of law, to determine their qualifications and conditions for continued employment, or assignment and to promote and transfer employees;
3. To suspend, demote, discharge or take other disciplinary action for good and just cause according to law.

B. The exercise of the foregoing powers, rights, authority, duties or responsibilities of the Borough, the adoption of policies, rules, regulations and practices in furtherance thereof, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of New Jersey and the United States.

C. Nothing contained herein shall be construed to deny or restrict the Borough of its rights, responsibilities and authority under New Jersey state statutes or any other national, county, or local laws or ordinances.

ARTICLE III

TRAVEL ALLOWANCE

- A. In the event an employee is required and directed to utilize private transportation to or from authorized business, then the employee shall be reimbursed by the Borough at the rate of thirty (\$.30) cents per mile.
- B. If an officer is attending a class lasting more than one day at a location no farther from the Borough than the State Police Academy at Sea Girt, and the officer is required to make a round trip back for a job-related purpose (including attendance at school) the Borough will pay mileage for private transportation at the above rates.

ARTICLE IV

NO-STRIKE AND NO-LOCKOUT PLEDGE

- A. During the term of this Agreement, the PBA agrees on behalf of itself and insofar as is legally possible on behalf of each of its members that there will be no strike of any kind and the Borough agrees that it will not cause any lockout.
- B. The PBA covenants and agrees that neither the PBA nor any person acting in its behalf will cause, authorize or support, nor will any of its members take part in any strike (i.e., the concerted failure to report for duty, or willful absence of any employee from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walkout or other illegal job action against the Borough. The PBA agrees that such action would constitute a material breach of this Agreement.
- C. In the event of a strike, slowdown, walkout or job action, it is covenanted and agreed that participation in any such activity by any PBA member shall entitle the Borough to invoke any of the following alternatives:
1. Withdrawal of PBA recognition.
 2. Withdrawal of dues deduction privileges (if previously granted).
 3. Such activity shall be deemed grounds for termination of employment of such employee or employees.
- D. Nothing contained in this agreement shall be construed to limit or restrict the Borough or the PBA in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach by either party.

ARTICLE V

SEPARABILITY AND SAVINGS

If any provision of this Agreement or any application of this agreement to any employee or group of employees is held invalid by operation of law or by a Court or other tribunal of competent jurisdiction, such provision shall be inoperative but all other provisions shall not be affected thereby and shall continue in full force and effect.

Said monies together with records of any correction shall be transmitted to the PBA by the fifteenth (15th) of each month following pay period in which deductions were made.
- B. If during the life of this Agreement there shall be any change in the rate of membership dues, the PBA shall furnish to the Borough written notice prior to the effective date of such change and shall furnish to the Borough either new authorizations from its members showing the authorized deduction for each employee or an official notification on the letterhead of the PBA advising of such changed deduction.
- C. The PBA will provide the necessary "check-off authorization" form and the PBA will secure the signatures of its members of the forms and deliver the signed forms to the Borough Administrator. The PBA shall indemnify, defend and save the Borough harmless against any and all claims, demands, suits, or other forms of liability that shall arise out of or by reason of action taken by the Borough in reliance upon salary deduction authorization cards submitted by the PBA to the Borough or reliance upon official notification on the letterhead of the PBA and signed by the President and Secretary-Treasurer of the PBA advising of such changed deduction.

ARTICLE VIII

FULLY BARGAINED PROVISIONS

Neither party will be required to negotiate with respect to any such matter whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the times they negotiated or signed this Agreement.
- B. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing executed by both parties.

ARTICLE IX

- C. The Borough shall permit a delegate and two (2) alternates to attend a State PBA convention without loss of regular pay pursuant to State Law. required. In addition, the annual work schedule shall be released no later than September 30th of the preceding year.

F. No employees shall be disciplined, discharged or reduced in rank or compensation without just cause.

- B. The Borough recognizes the value of education in enabling the professional police officer to better carry out his duties and responsibilities.

The following standards are therefore established:

1. Notwithstanding anything to the contrary contained within this Agreement, the parties agree that an employee upon attaining 8 years of continuous service to the Borough, shall be compensated at the rate of \$18.00 per credit earned to a maximum of \$1,800 for the calendar year of their eighth anniversary date.
2. Payment for credits earned shall be included as part of the employees annual base salary and provided within the employee's regular periodic paycheck (Example: \$1,800.00 shall be divided into twenty-six (26) regular bi-weekly pays and paid to the employee as part of the employee's regular base salary).

There shall be no reimbursement for courses beyond a Bachelors Degree. The Police will cooperate in securing reimbursement under the State Law Enforcement Planning Act, or the Federal Law Enforcement Education Program.

ARTICLE XI
CLOTHING ALLOWANCE

- A. Effective January 1, 2014 the clothing allowance shall be reduced from \$1300.00 per year to \$500.00 per year. All officers hired after October 14, 2014 shall receive the newly implemented uniform allowance of \$500.00 each year. Due to an accidental over-payment of \$800.00 in 2014 to officers hired prior to October 14, 2014, The Local agrees to a one time reimbursement to the Borough for the same. Those members affected will make a repayment of \$300.00 in 2015 and forego the agreed upon \$500.00 clothing allowance in 2016, totaling the \$800.00 repayment. The affected officers shall, at their discretion, choose one of the following two options for the 2015 portion of the repayment:
- a. Option One. Starting with the first paycheck in September 2015 and ending with the last paycheck in December 2015, equal increments of \$37.50 shall be deducted pre-tax from the Officer's bi-weekly paycheck, totaling \$300.00 to satisfy the 2015 portion of the repayment.
 - b. Option Two. A lump sum payment of \$300.00 shall be deducted from the first paycheck in September to satisfy the 2015 portion of the repayment.
- B. Bulletproof vests shall become standard issue for all new officers upon hiring. The Borough agrees to replace three (3) bullet proof vests per year for our officers. The Borough mandates that the vests have ballistic capabilities of at least Threat Level II. The Borough agrees to pay the state contract price for the above mentioned vests, and if the officer wishes to exceed the style listed above, he will be responsible for the additional cost above the state contract price.

ARTICLE XII

SICK LEAVE

- A. Part-time and full-time temporary employees and non-staff are not eligible for sick leave benefits under this Article.
- B. A certificate from a physician designated by the Borough or the employee's physician, may be required as sufficient proof of the need for sick leave. In case of sick leave due to contagious disease or exposure to same, a certificate from a physician may be required before returning to work.
- C. For disability because of sickness or an accident each permanent full-time and permanent part-time staff employee is entitled to the disability benefit shown in the following table during the continuance of the disability:

Length of continued service at date of disability	100% Salary for	2/3 of Salary for	1/3 of Salary for
1st year	1 week	4 weeks	4 weeks
2nd year	2 weeks	6 weeks	8 weeks
3rd year	4 weeks	8 weeks	12 weeks
4th year	6 weeks	10 weeks	16 weeks
5th year	8 weeks	12 weeks	20 weeks
6th year	10 weeks	14 weeks	24 weeks
7th year	13 weeks	16 weeks	23 weeks
8th year	16 weeks	18 weeks	18 weeks
9th year	21 weeks	22 weeks	9 weeks
10th year or more of continued service	26 weeks	26 weeks	

Weeks refer to calendar weeks from the date of disability prorated for actual time out of work. Length of service means that completed at the time of disability occurs. Only full years of continuing service shall be considered (parts of years shall not be prorated). Weekly salary for part-time permanent staff employees

shall be the average payable over the then current year. Any payments shall be reduced by the amount of any Worker's Compensation received.

- D. A second period of disability is considered a new disability with benefits beginning anew at 100% of salary level if it arises from a different cause. If it arises from the same cause and there has been a period of three or more continuous weeks back at work after the first period of disability, the benefit payments shall commence at the 100% of salary level and follow the above schedule assuming the date of disability to be at the date of recurrence. In either case, the maximum number of weeks during which any benefit will be paid is reduced by the number of weeks benefit paid in the fifty two (52) weeks just preceding the date of disability. Borough approved leaves of absence, including leaves for Military Service, do not constitute a break in service.
- E. An employee who shall be absent on sick leave for six (6) or more consecutive working days shall be required to submit acceptable medical evidence substantiating the illness. An employee who has been absent on sick leave for period totaling eight (8) or more days in one (1) calendar year consisting of three (3) or more separate periods shall be required to submit acceptable medical evidence of his illness for payment for that period and for any additional sick leave in that year. The Borough may require proof of illness of an employee on sick leave whenever such requirement appears reasonable and warranted under the circumstances at its expense.
- F. Each employee shall report to active duty after each illness or injury where the services of a physician were required only after first presenting the Borough Clerk and Department Head a final physician's statement indicating that he is again fit for active duty.

- G. The appropriate authority reserves the right to require a medical examination at any time during disability at the expense of the Borough.
- H. Payment for disability due to sickness or accident shall not be allowed under the following conditions:
1. If the employee, when under medical care, fails to carry out the instructions of the attending physician,
 2. If, in the opinion of the Borough Examiner, the disability or illness is not of sufficient severity to justify the employee's absence from duty.
- I. Leave for ordinary dental care or for the services of any eye specialist for normal eye care do not qualify as a disability as such professional services are readily available outside of normal working hours.
- J. Any employee receiving disability payments who, in addition, qualify for payments under Worker's Compensation benefits, shall during the period he is receiving such benefits be entitled to no greater portion of his disability payments than the net difference between them.
- K. It shall be the responsibility of the employee to notify his supervisor of an absence due to illness as soon as is reasonably practicable. Failure to so notify may result in a forfeiture of such sick leave credit.
- L. Leave of absence as a result of injury or disability resulting from or arising out of employment:
1. When a full-time permanent Borough employee or part-time permanent staff employee shall be injured or disabled resulting from or arising out of his employment and such injury or disability shall be evidenced by the certificate of a physician designated by the Mayor and Council of the Borough of Bernardsville

to examine such person, the Mayor and Council of the Borough of Bernardsville shall by resolution pursuant to N.J.S.A. 40A:9-7 grant the injured or disabled employee a leave of absence with pay for a period not exceeding six (6) months. The employee shall not be charged any sick leave time for time lost due to the aforesaid injury or disability.

2. Prior to the passage of a resolution referred to in paragraph one (1) hereof, a contract shall be executed between the employee and the Borough setting forth that the employee shall reimburse the Borough from monies he may receive as Worker's Compensation, temporary benefits, or from possible legal settlement from judgment against, the person or persons responsible for the injury.
3. Bereavement clause amended and moved to Article XXIII, page 40.

Officers shall be assigned to four (4) patrol squads consisting of a minimum of three (3) officers per squad. A minimum of two officers shall be scheduled for patrol duty at any given time, (subject to the provisions of Article XX (D) below). Each patrol shift shall be Twelve (12) hours long, and shall have the following specific hours:

7:00 A.M. to 7:00 P.M. (Day Shift)

7:00 P.M. to 7:00 A.M. (Night Shift)

2. Officers will be normally scheduled for fourteen (14) shifts within the Twenty-Eight (28) day work period. Officers shall rotate from Dayshifts to Nightshifts every fourteen (14) days (i.e. two weeks of Dayshifts then two weeks of

Nightshifts) subject to the provisions of Article IX, Section E.

3. Assignment of an officer to any modified shift times differing from above will be made on an as needed basis within the discretion of the Chief of Police or his designee, with the agreement of said officer.

D. Work Assignments

The current minimum patrol manpower of two officers on patrol at any given time will remain in effect. Nothing in this Article shall impact in any way the Chief of Police's authority and discretion to assign officers to a particular Squad, Bureau, Division or assignment, or to set staffing levels for a particular Division or Bureau.

E. Scheduled Compensatory Time

1. Officers assigned to the Patrol Division working the "Pittman" Schedule as set forth in Section "C" above shall receive "scheduled compensatory time" at the beginning of each year, dependent upon the total number of hours scheduled to work in a given year. This time is computed as straight-time for the specific number of hours the officer is scheduled to work in excess of 2080 work hours in a calendar year (i.e. officers scheduled for 2196 work hours for a given year are calculated to have 116 hours of scheduled compensatory time for that year).
2. Officers are required to utilize or schedule for use at least thirty (30) hours of their scheduled compensatory time by the end of each quarter (March 31, June 30, September 30 and December 31). No scheduled compensatory time may be scheduled for use after November 30 of the current calendar year. Any scheduled compensatory time that remains as of December 1 shall be available for utilization between January 1 and May 31 of the following calendar year.

3. For the purposes of scheduling of compensatory days for training for 12-hour shift officers: Within five (5) days of the announcement of a training day(s), the officer and the Department shall mutually agree on a day off within the twenty-eight (28) day work cycle that the training day(s) is/are scheduled for. The mutually agreeable day(s) must be on a Monday thru Friday, excluding holidays and not create overtime on the date of the mutually agreed upon date.

F. Renegotiation of Work Schedules

1. The Chief in his sole discretion may initiate renegotiation of the terms of the schedule with the P.B.A. at any time, if he determines such change is necessary to ensure public safety and the effective management of the Department.
2. If such situation arises prior to the expiration of the existing contract, for the Chief of Police or his designee to renegotiate the aforementioned schedule of sections A through E of this Article, the Chief of Police or his designee must identify the problem areas in writing to President of the PBA. In the absence of the President any member of the PBA executive Board may be notified. The purpose of the notification shall be to inform the members of the local and attempt to correct said problem. If the problems identified have not been corrected within sixty (60) days of the first written notification by the Chief, the matter shall then go before the Public Safety Committee of the Borough Council. If within the following thirty (30) days from escalation to this step the problem is not mutually resolved, the matter shall then go before binding arbitration. The arbitrator's decision shall only remain in affect until the expiration of the current contract. Once a new contract is negotiated and finalized, the new contract shall take

precedence.

3. In the event the Department renegotiates and comes to an agreement of a schedule differing in any way from the aforementioned schedule of sections A through E of this Article, all terms and conditions will be signed into effect with the approval of both the Chief of Police and the PBA President or appropriate PBA representative. The agreement shall be listed as an appendix unto this contract. Any agreement shall only remain in affect until the expiration of the current contract. Once a new contract is negotiated and finalized, the new contract shall take precedence.
